**Warning:** Margin trading is a high-risk activity and may not be suitable for all investors. Before entering into any margined transactions, you should carefully consider your investment objectives, financial situation, needs, and level of experience. It is advisable to seek independent advice if necessary. Forex and CFDs are highly leveraged products, which can amplify both profits and losses. Trading in these products should be approached with caution and only if you fully understand the risks involved. You should also ensure that any potential losses will not adversely affect your lifestyle. Please take these considerations seriously and trade responsibly.
