

Tradable Bonus: 20% on deposits ranging from \$100 to \$10,000.

This Bonus Program is designed to safeguard accounts during drawdown periods. The bonus, up to 20%, is subject to loss without restrictions and can also be utilized as margin.

Upon request, the 20% Tradable Bonus will be deposited through the support department. It is claimable on every deposit for Premium accounts. Each credited bonus fund has a 30-day expiry and will automatically be removed from the trading account.

This 20% Tradable Bonus Program is applicable to one account per client and can be used as a stop loss without limitations in trading. The maximum total Tradable Bonus awarded is \$5,000 per client, and it is applicable only on deposits over \$100.

In the event of a withdrawal from a trading account with the 20% Tradable Bonus, a corresponding Bonus removal will occur. The removal formula is $\text{Withdrawal Amount} \times 20\%$.

The Tradable Bonus applies solely to the trading account that initially received the 20% Tradable Bonus and is applicable only to FX, Commodities Energies, Metals.

If the Company suspects or has reason to believe that a client has abused the Bonus Program's terms and conditions by hedging positions internally or externally, the Company reserves the right to withdraw the Tradable Bonus without the client's consent.

If the Company suspects or has reason to believe that a Client has abused the terms and conditions of this Bonus Program by hedging his positions internally (using other trading accounts held with Company) or externally (using other trading accounts held with other brokers), then the Company reserves the right, without the Client's consent, to withdraw immediately the Tradable Bonus (and the Additional Bonus if applicable) from the Client's trading account(s) or from his winning hedged accounts.

Clients acknowledge the high risk involved in trading leveraged products like Forex and CFDs and should ensure they understand the risks. The Company may unilaterally modify, change, or terminate this Bonus Program or its terms and conditions at any time without the client's consent.

The bonus will be treated as backup equity, and in case of a loss, the actual liquidity will be utilized first, followed by the bonus.
